

Master of Studies in Entrepreneurship: Supporting Documents

Below are details of the Course Specific Questions and other supporting information you will be asked to provide **before you can submit your application**. These are marked with an asterisk (*). References and transcripts can be provided either at the time of submitting your application or shortly after.

If you have any questions, please contact ICE Admissions: mst.admissions@ice.cam.ac.uk and we will be happy to help.

References

You will need to provide the details of two referees who should be senior people acquainted with your work and who are able to comment on your academic and/or professional suitability to undertake the course. Ideally one reference should be academic and one professional. If this is not possible, two professional references may be accepted.

You will be asked to provide e-mail addresses for your referees so that they can submit their reference via the online referencing system, so it is important for you to ensure that your referee is able to provide a reference for you before you submit your application form.

You should try to advise your referees to include the following information:

- How long they have known you and in what capacity.
- Their opinion of your experience, achievements, professional interests, and the capabilities which you will bring to the course.
- Whether they believe you have the academic and analytic skills to successfully study at Masters level.
- Whether they believe you will fit well on a Master's level course
- Whether they consider you have the enthusiasm, commitment and determination necessary to complete the course successfully.

If your referees are unable to use the online referencing system, or do not have an e-mail addresses, please contact the ICE Admissions office for further assistance.
